6 months.

Campus Life

All IU Campuses are Intimate, welcoming, and easily accessible to all students.

Germany is considered one of the top study destinations in the world and one of the best providers of education. The IU international campuses in Berlin and Bad Honnef are intimate, welcoming, and easily accessible to all students.

Benefits of on-campus studies:

- High-quality learning in an international environment
- Experience a new city and the German lifestyle
- Networking with international students
- Enjoy a structured way of learning with lots of flexibility
- Study rooms to concentrate and revise for exams
- Option to join sports clubs and associations

Campuses

Berlin Campus

The IU campus is right **in the heart of Berlin**, with around **2000 students** studying in the cultural hotspot. Berlin is set to become Europe's leading start-up hub and entrepreneurial capital. With a multinational population of around 3.5 million, the city is a powerhouse for networking and collaboration.

Bad Honneff Campus

Located in the picturesque town of **Bad Honneff** is situated in North Rhine-Westphalia. It offers amazing scenery, and the cultural centres of Cologne and Bonn are just 30 minutes away by train. The IU campus offers the most modern facilities housed in a mixture of historic and contemporary buildings. There is WiFi across campus, bars and restaurants for students to relax, and many sports clubs and societies for students to join.
